IN THE MATTER OF :

TIMOTHY BULKLEY, M.D. :

LICENSED TO PRACTICE MEDICINE :
AND SURGERY IN THE STATE OF :
NEW JERSEY :

**ORDER GRANTING UNRESTRICTED
LICENSURE**

This matter was first opened to the State Board of Medical Examiners ("Board") upon receipt of information that Respondent had entered into a Consent Agreement and Order, effective November 11, 1998, with the State Board of Medicine of the Commonwealth of Pennsylvania. Based on that sister state action, on September 30, 2001, this Board and Respondent entered into a Final Order of Discipline and Reinstatement of License With Restrictions. In March of 2005, Respondent appeared with counsel, Alma Saravia, Esq., before the Preliminary Evaluation Committee of the Board and petitioned for unrestricted licensure. Dr. Louis E. Baxter, Sr., M.D., Executive Medical Director of the former Physicians' Health Program of the Medical Society of New Jersey, appeared and

testified in support of Respondent's petition for unrestricted licensure. The Board is satisfied that Respondent has complied with the prior Order and his treatment regimen. In addition, Respondent has voluntarily agreed that he will continue to participate in the Professional Assistance Program approved by the Board or any successor and continue appropriate treatment.

The Board having determined that the within Order is adequately protective of the public health, safety and welfare.

IT IS ON THIS 11TH DAY OF JULY , 2005, ORDERED:

1. Respondent, Timothy Bulkley, M.D., is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.
